

NAROPA UNIVERSITY

Courses open to the public for academic credit Fall 2017

The following courses are available to the public and can be taken for academic credit.

Anyone who is not a current, degree-seeking Naropa student can register for these classes using Naropa's portal system, MyNaropa (<https://my.naropa.edu/ICS/Welcome.jnz>), by clicking on the Public Registration tab.

If you wish to take one of these courses for non-credit, please visit the Extended Studies portion of the Public Registration tab on MyNaropa for registration information and answers to frequently asked questions.

If you wish to take one of these courses to earn academic credit, please visit the **Non-degree students taking for-credit residential courses** section on the Public Registration tab on MyNaropa. Please remember, if the course has prerequisites or other restrictions as indicated in this schedule, it is strongly encouraged that a non-degree student contact the department or instructor to determine if the student is adequately prepared for the course. If the course specifies that permission of department is required, the student must obtain written permission.

Non-degree students must abide by all policies and procedures as outlined in the Naropa University Handbook.

Remember, if you are planning to eventually transfer courses into a degree program at Naropa or another school, you should check with that program first to determine if there are limits on the number of credits you may take as a non-degree student and/or to determine whether the course you wish to take will fit into the degree you wish to obtain.

**** IMPORTANT! The information in the printed schedule is SUBJECT TO CHANGE. Please see the online schedule for the most current information. ****
