

## Schedule for Summer/Fall 2019 Registration GRADUATE STUDENTS

- “Credits” refer to earned *plus* in progress credits (Spring 2019 credits). To view your assigned time to register within MyNaropa, once logged in, click on Register for Classes - Add/Drop Courses and then change term to the session for which you will be registering.
- All times are in Mountain Standard Time.
- A financial hold on your account will prevent you from registering. Please check MyNaropa to confirm that you have no holds.
- You must communicate with your advisor for clearance to register.
- Check courses for restrictions. GSCP students will need to work with an advisor to request an authorization to add you to the class. All other graduate students will need to contract the instructor for special permission and to request s/he add an Authorization in MyNaropa which will allow you to register.
- You are responsible for being aware of alternate drop/add dates for shorter courses.
